
SFAT - PROLIGHT & SOUND - NEW VERSION

The version 2016 is proving to be excellent for SFAT which this year was present with two stands located in Hall 5.

A high quality attendance during the 4 days allowed significant new trade agreements.

Many projects are underway, new products were presented to visitors, new communication tools have been delivered to distributors and soon other surprises ...

Sfat is growing and continues its momentum such as reliable manufacturer , serious and recognized by all its customers.
