

## PLS 2019 - An exceptional vintage for SFAT

Like every year, SFAT exhibited at Prolight & Sound 2019 in Frankfurt.

PLS 2019 has been an exceptional vintage for our team.

Record attendance on the stand, a new very professional catalog 019/2020, many new products, an extra motivated team were all assets that made possible to conclude new collaboration agreements and to discuss various partnership projects in different countries.

A big thank you for honoring us with your visit and we look forward to seeing you again soon !

Appointment is already made for Prolight & Sound 2020.
