
SFAT at the Open Day of LA BS - 22.05.2019

A big thank you to the whole team of La Boutique du Spectacle for inviting us as a supplier/partner during their Open day / 22.05.2019.

We have appreciated the know-how of the organizers who have created a professional and very friendly atmosphere.

Many visitors were present.

So Customers and suppliers were able to exchange throughout the day and finish pleasantly with a nice garden party.

That did not stop us from doing the Buzz because all the "Girls" of La Boutique du Spectacle ended up in the foam ...
